

CERTIFICATE

OF ACHIEVEMENT

THIS CERTIFICATE IS PRESENTED TO

Md Sadman Sami Khan

In recognition of successfully completing the 6-months **Data Science and Machine Learning with Python and R program (Batch 2504)**. Through this rigorous program, the recipient has demonstrated proficiency in Statistical Analysis, Exploratory Data Analysis (EDA), and Machine Learning, utilizing Python and R for data-driven problem-solving. This accomplishment highlights the recipient's technical acumen and dedication to continuous learning, paving the way for success in their professional endeavors.
